<p>Review the facts and vocabulary you have recorded on your Facts note-taking sheet.</p> <p>Form a thick prompt that would require an answer or response that reports these fully.</p> <p>Use your own words to write an answer or response that is complete and clear. Use new terms from the passage appropriately to reflect understanding of their meaning.</p>	
<p>Facts:</p> <p>Information stated in the text. You can show where it is stated.</p> <p>New and/or Unknown Words:</p> <ol style="list-style-type: none"> 1. manufacturing 2. public utilities 3. chain stores 4. wage disparity 5. economic boom 	<p>P: Describe positive and negative economic changes that occurred during this historic period.</p> <p>R: During this period there were several changes in the economy. Many companies that manufactured cars, steel, and electrical equipment merged. Some public utility companies did too. Chain stores expanded; banks opened branches in cities. Wage differences between workers and managers got bigger. Iron industries and railroads were not successful. Many farms also suffered losses and failed.</p>
