

## Rubric Template for Assessing Simple Performance Relative to a Standard

[Replace text in brackets with criteria and performance-level descriptions appropriate to the standard.]

<b>Proficient</b>	[Complete and correct performance, OR performance demonstrates the understanding and skill called for by the standard at the level required for proficiency.]
<b>Basic</b>	[Partially complete and correct performance, OR performance demonstrates partial mastery (e.g., oversimplified or incomplete knowledge, limited skill) of the understanding and skill called for by the standard.]
<b>Novice</b>	[No response or incorrect response, OR performance demonstrates deep misconceptions or profound lack of the understanding and skill called for by the standard.]
