

Academic Teaming 101: Student-led Team Basics

TEAM RESOURCES

SUMMARIZING THINKING

8 SUMMARIZING MATS (1 PER TEAM)

Summarizing Mats support students in developing their own thinking, sharing their thinking with their team, and creating a summary together.

16 SUMMARIZING THINKING GUIDES (2 PER TEAM)

Students use thinking guides to understand how to utilize their resources, incorporate roles, and contribute equitably to their team.

32 ROLE CARDS (1 SET PER TEAM)

Role cards create individual accountability for students to participate with their team and engage in productive conversations.

30 AGREE/DISAGREE CARDS (1 PER STUDENT)

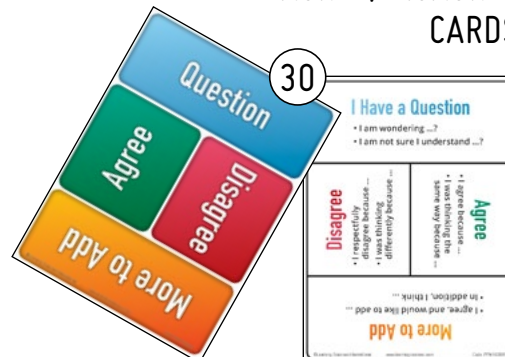

Agree/disagree cards help students listen and respond to each other's thinking.

Student-led Team Resources are printed on card stock and laminated for durability.
